

Above is the map if you come on the bottom road – what you mustn't do is allow your satnav to take you straight across on the sharp left hand bend just passed Ddraig Goch Garage into the bottom of our narrow lane.....I have taken our caravan up that way, but it is really narrow, winding and quite tricky

with trees overgrowing and steep banks either side. So you need to follow on the A4080, turn into Chapel Street and then come back on the B4421. If you have Google maps on your phone, that will tell you exactly where to turn right (from Niwbwrch direction) into our lane.

Picture 1 shows tatty layby on right with gate on left our turning is next on right before white (Anglesey Motor

house which is Museum.

corner of Tacla Taid

Note there is a brown sign picture 3 showing Tacla Taid and our turning is immediately opposite on right from Niwbwrch
