

Above is the map if you come from Junction 5 at the top of the map road – this is normally better for larger vehicles When you come off at Junction 5 head for Llanfaelog, staying on the A4080 you head for Aberffraw then Llangadwaladr where the main road turns right towards Malttraeth then on to Niwbrwch at the first T junction in Niwbrwch, turn left on B4421.

with trees overgrowing and steep banks either side. So you need to follow on the A4080, turn into Chapel Street and then come back on the B4421. If you have Google maps on your phone, that will tell you exactly where to turn right (from Niwbwrch direction) into our lane.

Picture 1 shows tatty layby on right with gate on left our turning is next on right. Picture 2 shows Hendy's house drive on left and our turning on right just before white house which is corner of Tacla Taid (Anglesey Motor Museum).

Note there is a brown sign picture 3 showing Tacla Taid and our turning is immediately opposite on right from Niwbwrch before white house
